Good evening, Claire!

My name is Jaz Sisouvong, and I'm a student at Northern Virginia Community College. I live in Prince William County and once participated in a program that was hosted by Prince William Forest Park. As it is my home county, I wanted to do a class project that discus

For this project, it consists of me coding my own website. One of my requirements is that I use public domain images, or images with explicit permission from the photographer themselves. I came across your work and was wondering if the images you have credited t seeking permission to utilize your photographs for my website. Since my project is due Tuesday evening, I would appreciate any feedback before then.

Thank you for your time,
Jazmine Sisouvong, Graphic Design student.

Hi Jaz,

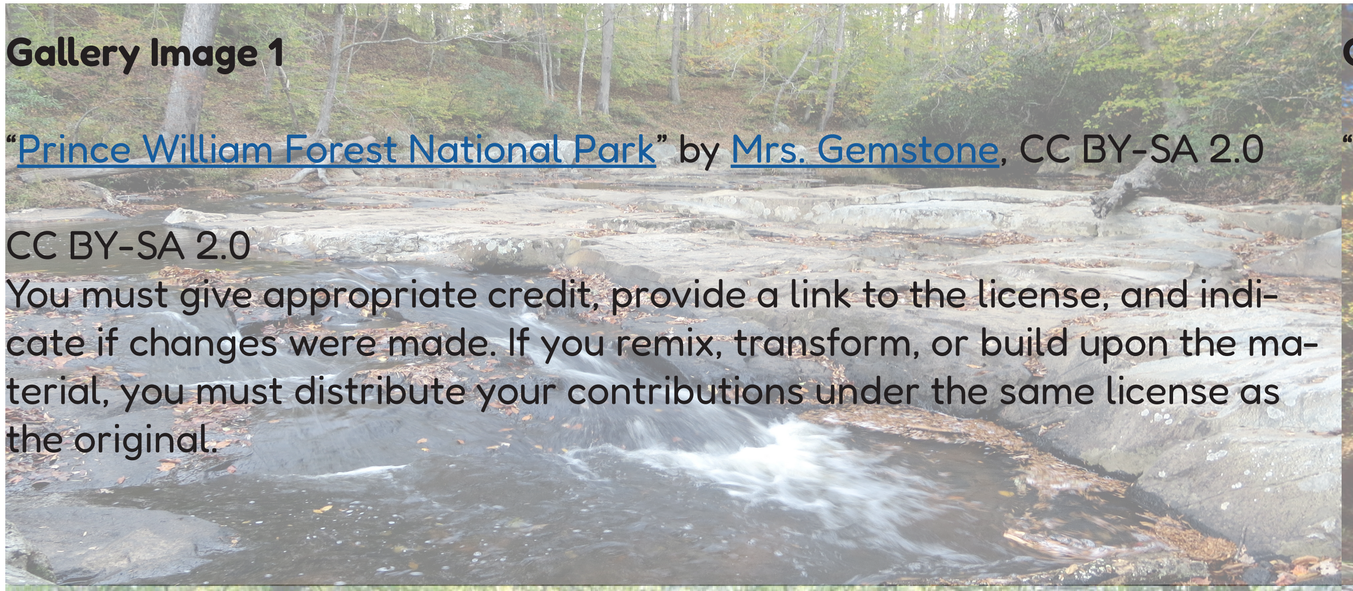

Thanks for reaching out. Yes, all my images are public domain because I took them while employed by the Park Service and on government time. Good luck with your project, it sounds interesting! Would love to see the website if you end up publishing it.

Best,
Claire Hassler
